Predicted Energy Assessment (PEA)

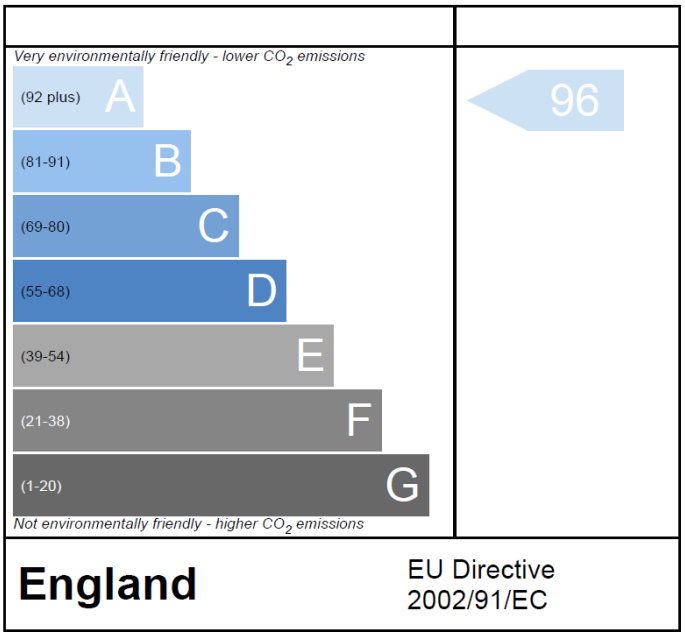

The energy performance has been assessed using the Government approved SAP 10 methodology and is rated in terms of the energy use per square meter of floor area; the energy efficiency is based on fuel costs and the environmental impact is based on carbon dioxide (CO2) emissions.

Energy Efficiency Rating

The energy efficiency rating is a measure of the overall efficiency of a home. The higher the rating the more energy efficient the home is and the lower the fuel bills are likely to be.

Environmental Impact (CO^2) Rating

The environmental impact rating is a measure of a home's impact on the environment in terms of carbon dioxide (CO^2) emissions. The higher the rating the less impact it has on the environment

Our Commitment to Quality & Standards: Graven Hill Village Development Company Ltd is on the New Homes Quality Board register of registered developers. All homes are constructed to meet the latest Building Regulations, and will comply with, as a minimum standard, the latest NHBC Technical Standards or equivalent benchmark. Each property is built to achieve an EPC rating B under current energy efficiency standards. We are dedicated to providing an inclusive and supportive service, especially for customers in vulnerable circumstances. Our goal is to ensure that all our communications and services are accessible, transparent, and helpful throughout every step of the home-buying journey.

Information for Council Tax Bands

Council Tax bands for new properties at Graven Hill are not confirmed until after completion and occupation. Banding decisions are made solely by the Valuation Office Agency (VOA), and neither Graven Hill Village Development Company nor Cherwell District Council has any influence over this process.

For reference, the current Council Tax charges (2026/27) for properties in Ambrosden, as set by Cherwell District Council, are:

- Band A: £1,573.93
- Band B: £1,952.94
- Band C: £2,231.91
- Band D: £2,510.91
- Band E: £3,068.88
- Band F: £3,626.87
- Band G: £4,184,84
- Band H: £5021.82

The actual Council Tax band for each new home will only be confirmed by the VOA once the property is complete and occupied.

Home Builders Federation

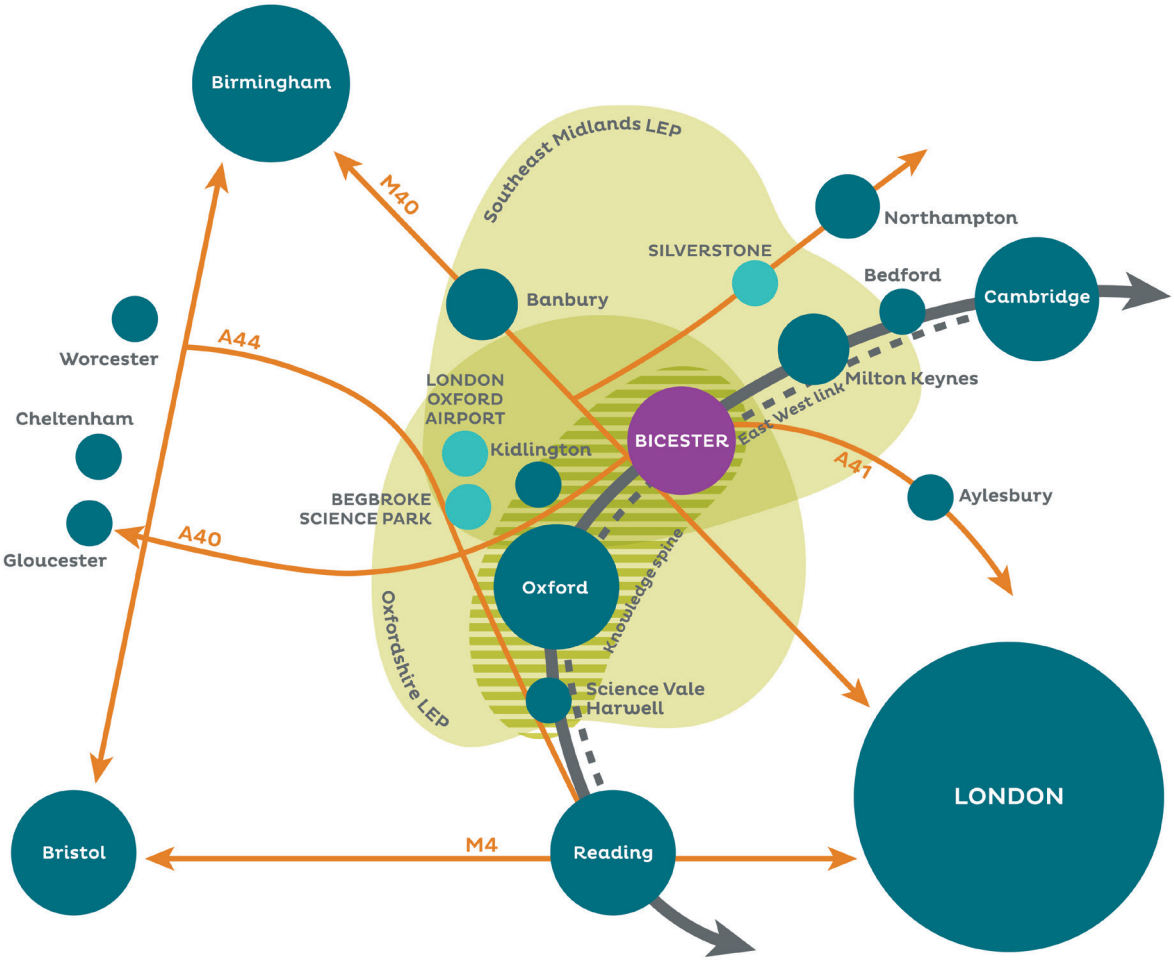

Graven Hill Village Development Company Ltd participates in the HBF Customer Satisfaction Survey. As a small housebuilder, we do not build a sufficient volume of new homes to qualify for an official HBF Star Rating under the scheme's statistical qualification criteria.

However, based on valid customer responses received through the HBF Customer Satisfaction Survey during the 2024/25 survey period, our customer recommendation score was equivalent to a 5-Star performance level for the key survey question: "Would you recommend your builder to a friend?"
