## Make your new build home on this unique development in the thriving market town of Bicester

### EDUCATION

As Bicester grows so will its population, including the younger and future generations. Tens of thousands of jobs are being created to meet the needs of the adults but before they reach the age of employment, youngsters will need an education. With the needs of growing families in mind, there are more than 20 schools located in the Bicester area, each with its own vibrant and dynamic style.

Graven Hill will play a big part in meeting the education demand and will include a new primary school and a pre-school nursery.

### FACILITIES

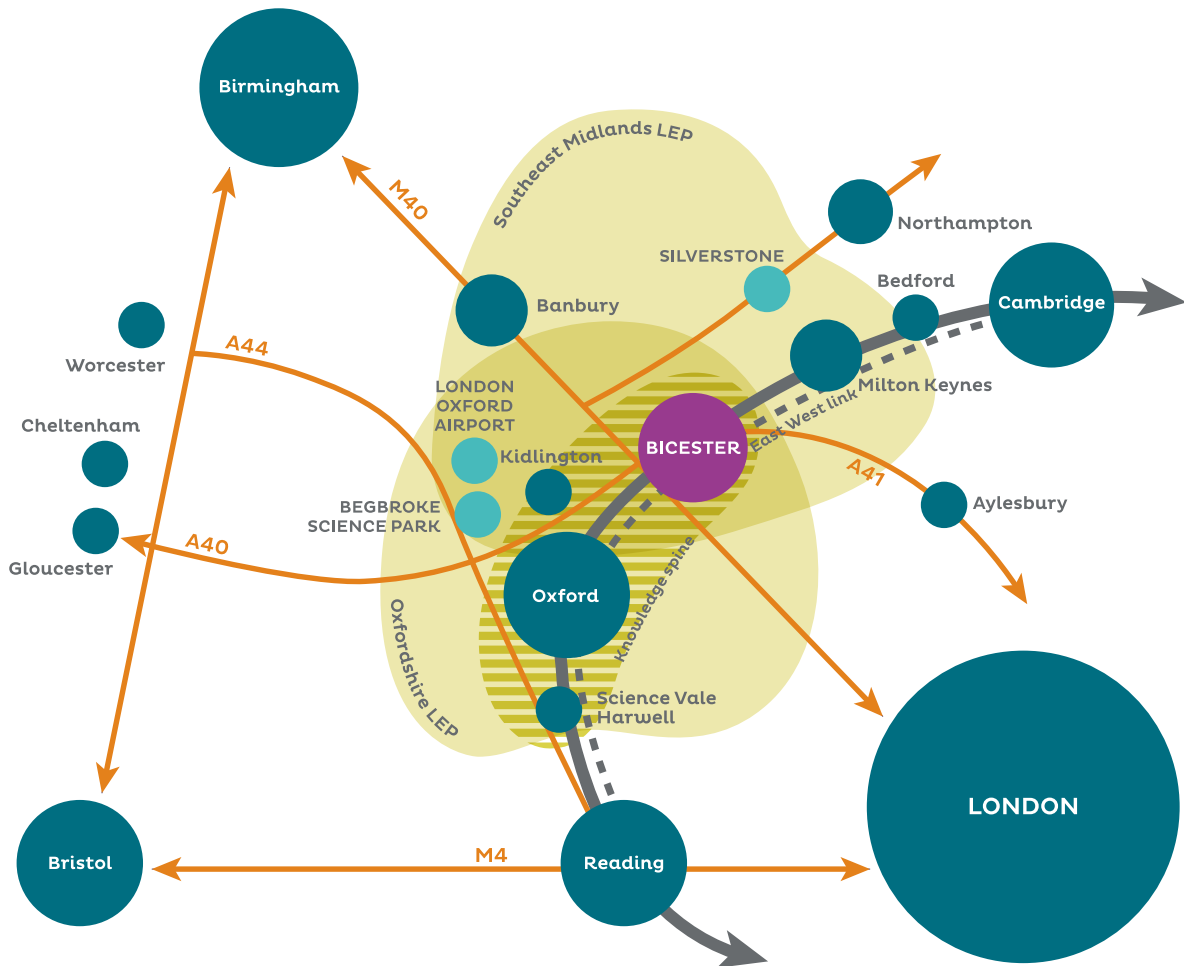

Homes and jobs are vital to Bicester's growth but so are opportunities for people to relax when the working day is over and whether it is shopping, sports or socialising, it is important Bicester is a place where residents can work, rest and play.

For years, the world famous Bicester Village has attracted millions of shoppers with its designer shops but the regeneration of Pioneer Square has made the town centre a shopping destination in its own right. Visitors can browse the shops, watch films at the multiplex cinema or enjoy a meal and drink at various pubs and restaurants.
